Second Request For Corrected Filing Receipt

Sir:

A Request For Corrected Filing Receipt was received by the USPTO for this case on 1/23/2004. No reply has been received regarding that request. The filing date on the Filing Receipt is incorrect. The application was filed on September 29, 2003.

A corrected Filing Receipt is needed as soon as possible so a correct Certified Copy of the application can be obtained from the USPTO for filing in a foreign counterpart application. The foreign counterpart application is in jeopardy of becoming abandoned because the USPTO will not issue a corrected filing receipt and a certified copy of the application with the corrected filing date will not be issued by the USPTO until the filing receipt has been corrected. Please issue a corrected filing receipt as requested in the paper filed 1/23/2004 as soon as possible.

Should any unresolved issue remain, the Examiner is invited to call applicant's attorney at the telephone number indicated below.

Respectfully submitted,

Mark F. Harrington
